

KRISPY PB & CHOCOLATE RICE TREATS (Better then the original!)

1 cup of brown rice syrup (you can find at health food store)
½ cup of organic creamy peanut butter
½ cup of malt-sweetened non-dairy chocolate chips
3 cups of crispy brown rice cereal (Try Barbara's Brown Rice Crisps, or Erewhon Crispy Brown Rice Cereal)

Heat rice syrup and peanut butter on low in a very large saucepan until creamy. Stir in chocolate chips until they melt. Remove from heat, stir in cereal and press into a shallow, square casserole dish (double the batch and press into a sheet cake pan). Allow to firm, cut in squares and serve!

Makes about 1 dozen
